WORK EXPERIENCE

Personal AI Projects

Summer 2026

Built and Maintain Portfolio of AI-driven Projects

New York, NY

- **Fuzhounese.org:** Launched and designed first-ever English-Fuzhounese dictionary online to preserve rare Chinese dialect. Sponsored by leading Fuzhounese organizations to add 4,000 words and 400+ recordings
- **Loretour.com:** Interactive building registry of New York City for unorthodox property market research
- **Finance-related:** Built portfolio company report standardizer and interactive GIS-powered rollup evaluator

Prospera Law

Summer 2025

Corporate & AI Strategy Intern

Los Angeles, CA

- Designed and routinely delivered a firmwide AI training curriculum for attorneys and paralegals with presentations, workflow examples, and usage guidelines
- Supported rollout of a formal AI usage policy, managing confidentiality, privilege, and regulatory risk

LuminArx Capital

Summer 2024

Summer Analyst

New York, NY

- Led intern cohort project evaluating AI applications across the investment lifecycle; authored and presented a 60-slide strategic deck to senior management, including CEO and CIO
- Built financial models to evaluate opportunities in renewable energy, data centers, and rail infrastructure
- Led company emissions report on Scope 1, 2, and 3 emissions and used results to offset carbon emissions

Idealab

Summer 2023

Venture & Climate Tech Intern

Pasadena, CA

- Identified and evaluated opportunities for startup WaterFromAir, an atmospheric water generation startup
- Analyzed data and market trends using Python and QGIS; regularly presented to executive board on emerging opportunities in climate tech, blockchain, and autonomous manufacturing

LEADERSHIP

Geographic Studies Club: Founded and scaled club; organized events with diplomats at 15 foreign consulates; led humanitarian GIS initiatives supporting disaster relief for first responders; raised \$10k+ in outside funding
